

# Ranpak Void Fill Systems... the Natural Choice

## FillPak TT<sup>®</sup>

*void fill on demand where and  
when you need it*

### High Speed and Cost-Effective Void Fill

FillPak TT converts 15" single-ply, fanfold kraft paper into a PaperStar™ configuration for fast and efficient void fill material to protect products in shipment.

Place a FillPak TT at multiple packing stations to maintain packing efficiency while minimizing material cost and usage. FillPak TT is easily operated by a foot pedal and dispenses void fill material directly into a box, allowing for maximum throughput.

The converter height and head angle is adjustable and easy to rotate for optimal comfort while packing and loading. In addition, the small footprint allows it to easily fit into areas with limited space.

**Fast** - output of 60 inches of paper per second

**Compact** - small, lightweight and designed for multiple packing stations

**Versatile** - easily configured for floor or table operations

**Adaptable** - battery option allows for operation without electrical outlets

**Environmentally Friendly** - 100% biodegradable, recyclable and renewable paper

Protection is in our nature™

# Specifications

## Converter Head (approximate measurements)\*

Width	17"
Length	21"
Depth	13"
Weight	17 lbs.
Power	100/115 VAC, 1 phase
Feed Rate	60 inches/second
Cut Method	Manual Tear
Operating Modes	Footswitch

## Stand (approximate measurements)\*

	Table Stand	Floor Stand
Min./Max. Height**	49" - 59"	74" - 84"
Weight***	43 lbs.	55 lbs.

\*Size specifications do not include accessories.

\*\*Min./Max. height dimensions are measured with the head at its maximum tilt.

\*\*\*Includes the weight of the head.

## Paper Bundle

Paper Type	Width (inches)	Basis Weight (lbs.)	Length (feet)	Weight (lbs.)
Fanfold Box	15	30*	1,660	22
Fanfold Box	15	45	1,200	24

\*30-lb. also available in 100% recycled and white.

## Paper Pallet

Bundle Type	Bundles per Pallet	Dimensions (inches)	Weight (lbs.)
30 lb.	65	48 x 40 Depth	1,500
45 lb.	65	48 x 40 Depth	1,517

# Accessories

Wind Guard Kit - Universal

Battery Conversion Kit

Dual Footswitch Kit

Kneeswitch

# Systems Engineering

Ranpak can increase your output and productivity by integrating our converters into your packaging lines. Our System Engineers can also design a custom converter to fit your unique situation and application for the most efficient, safe and user-friendly operation.
